STORIES IN MOTION

Brand Guideline Book

Stories in Motion

Prepared by Rayse Studio in collaboration with company leadership and brand strategists.

VERSION 1.0

MAY 2025

Brand Overview

LINCK MEDIA is a modern media brand built on the power of storytelling and motion. We combine creative direction, video production, and dynamic visual communication to craft real stories that connect, inspire, and leave a lasting impact.

Brand Essence

- Stories in Motion
- Real stories. Captured.
- A symbol of motion carved from identity, with play at its core.

Logo Concept

The LINCK MEDIA logo combines the letter L with a play symbol to represent creative direction, video production, movement, and dynamic storytelling.

Logo System

Our logo is the face of LINCK MEDIA. Consistent use strengthens recognition and builds trust. Follow these standards to protect the integrity and impact of our brand.

1. MASTER LOGO

Full Color on White

Linck Media
STORIES IN MOTION

Full Color on Black

Linck Media
STORIES IN MOTION

Icon Only

2. CLEAR SPACE

Maintain a clear space around the logo to ensure maximum visibility and impact.

X Clear space = height of the icon

3. MINIMUM SIZE

To maintain legibility and brand integrity, never reproduce the logo smaller than the sizes below.

PRINT (Business Card)	Linck Media	20 mm 0.79 in
DIGITAL (Website Header)	Linck Media	120 px
SOCIAL MEDIA (Profile Picture)	Linck Media	80 px
APPAREL (Embroidery)	Linck Media	30 mm 1.18 in
SIGNAGE (Outdoor / Large Format)	Linck Media	150 mm 5.91 in

4. INCORRECT USAGE

To protect brand consistency, never alter the logo. Examples of incorrect usage are shown below.

Linck Media
STORIES IN MOTION

Do not stretch

Do not use outline or strokes

Visual System

A unified visual system ensures LINCK MEDIA is instantly recognizable, consistently applied, and impactful across every platform and story we tell.

1. Color Palette

Primary Black
HEX #0A0A0A | RGB 10, 10, 10 | CMYK 75, 68, 67, 90

Primary White
HEX #FFFFFF | RGB 255, 255, 255 | CMYK 0, 0, 0, 0

Signature Red
HEX #FF0000 | RGB 255, 0, 0 | CMYK 0, 100, 100, 0

Dark Charcoal
HEX #1F1F1F | RGB 31, 31, 31 | CMYK 72, 65, 64, 74

Soft Grey
HEX #E6E6E6 | RGB 230, 230, 230 | CMYK 9, 7, 7, 0

2. Typography System

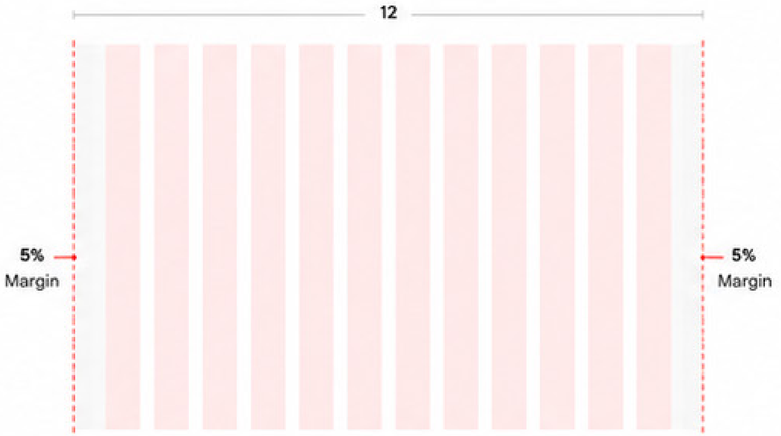

Aa — **Poppins**
Modern. Geometric. Confident.

H1	**Heading 1**	Poppins Bold 72/80 -1% Letter Spacing
H2	**Heading 2**	Poppins Bold 48/56 0% Letter Spacing
H3	**Subheading**	Poppins SemiBold 24/32 0% Letter Spacing
Body	The quick brown fox jumps over the lazy dog. We craft real stories that connect, inspire, and leave a lasting impact.	Poppins Regular 16/26 0% Letter Spacing
Caption	Every frame tells a story.	Poppins Regular 12/18 0% Letter Spacing
Tagline / Accent	STORIES IN MOTION	Poppins Medium Tracking 300 All Caps Red

3. Brand Grid & Layout

Grid System

We use a 12-column modular grid to bring structure, balance, and consistency to every layout.

Alignment

Left-aligned content ensures a clean reading flow and strong visual hierarchy.

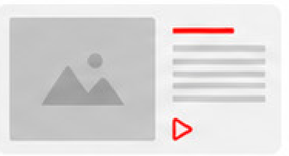

Spacing System

Base unit: 8px

- 4px – Tight
- 8px – Small
- 16px – Medium
- 24px – Large
- 32px – X-Large
- 48px – XX-Large

Composition Principles

Pair bold headlines with powerful imagery and plenty of negative space for maximum impact.

Linck Media

STORIES IN MOTION

Content & Motion Identity

Our content and motion identity bring the LINCK MEDIA brand to life across every frame, platform, and interaction.

01 Photography Direction

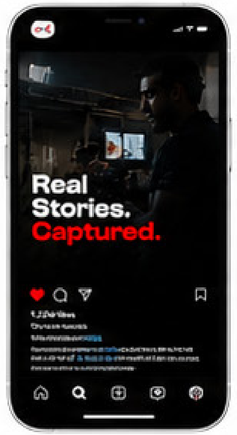

We capture real moments with cinematic intent. High-contrast visuals, professional lighting, and motion-driven compositions that reflect the energy of media production.

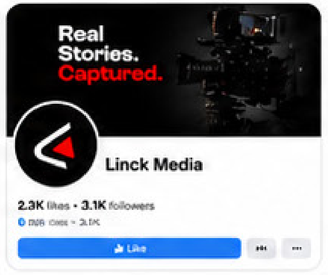

- Cinematic & Real
- High-Contrast
- Media-Production Focused
- Professional Lighting
- Motion-Driven
- Emotionally Engaging
- No Cartoons
- No Fake AI Faces

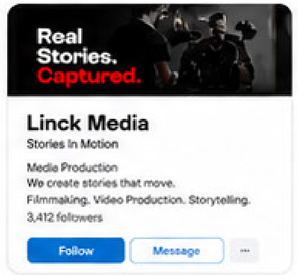

02 Social Media Identity

- Instagram
- Facebook
- LinkedIn
- YouTube

BRAND PERSONALITY

Modern | Cinematic | Bold | Creative | Premium | Confident | Professional

Brand Voice & Messaging

Our verbal identity should sound as confident and cinematic as our visuals. Every message must feel clear, human, and purposefully crafted to move the story forward.

01 Voice Pillars

Clear
Simple, direct, and easy to understand.

Cinematic
Emotion-led, visual, and full of movement.

Human
Authentic, warm, and grounded in real stories.

Confident
Bold, professional, and never uncertain.

02 Messaging Formula

Truth + **Emotion** + **Motion** = **Memorable Storytelling**

04 Tone in Practice

Do
- Use short, active sentences.
- Lead with meaning.
- Write with clarity and visual energy.

Don't
- Do not sound robotic.
- Do not overcomplicate the message.
- Do not use vague creative jargon.

03 Key Brand Phrases

Stories in Motion
Real Stories. Captured.
Every Frame Tells.
Impact in Every Frame.

Messaging Architecture

A strong message system helps LINCK MEDIA communicate with consistency across campaigns, client touchpoints, and content platforms.

01 Brand Promise

> We tell real stories with cinematic clarity and motion-driven creativity.

02 Value Proposition

Creative Direction
We craft concepts that connect emotion with purpose.

Video Production
High-quality production built for impact and authenticity.

Visual Storytelling
Stories told with strong visuals, rhythm, and meaning.

03 Audience Focus

Brands
We partner with brands to tell stories that build trust and drive impact.

Organizations
We help organizations communicate their mission with clarity and purpose.

Audiences
We create content that engages, inspires, and leaves a lasting impression.

04 CTA Language

- Watch the Story
- Book a Shoot
- Start a Project
- View Our Work
- See the Process
- Let's Create

05 Message Hierarchy

Photography Principles

Photography should feel cinematic, real, and emotionally grounded. Every image must support motion, story, and professional media craft.

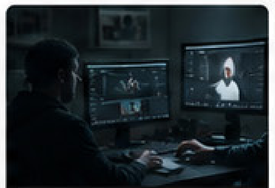

Preferred Subjects

Filmmakers

Production Crew

Behind the Scenes

Cameras & Lenses

Editing Spaces

Story Moments

Core Principles

- Real People
- Media-Focused Environments
- High Contrast
- Directional Light
- Visible Equipment Context
- Emotional Authenticity

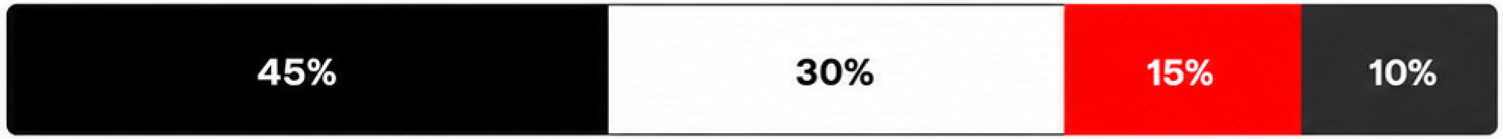

Avoid

- Plastic AI faces
- Generic stock smiles
- Flat lighting
- Childish illustration styles

Color in Use

The LINCK MEDIA color system should feel bold, high-contrast, and intentional.
Black leads. White gives clarity. Red drives emphasis.

01 Application Ratios

Black	White	Red	Charcoal
45%	30%	15%	10%

02 Background Usage

Primary Dark

Use for high-impact openings, hero sections, and immersive brand moments.

Light Editorial

Use for content-driven layouts where clarity, readability, and breathing room matter.

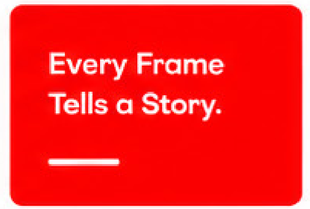

Accent Red

Use to command attention for key messages, CTAs, and highlights.

Neutral Support

Use for subtle structure, backgrounds, or UI elements that support content.

03 Contrast Rules

	Do	Don't
Use white logo on dark surfaces		
Use full-color logo on clean white		
Use red only for emphasis, not overload		

04 Brand Highlights

Red Underline

Use to subtly emphasize section titles and key points.

Red CTA Button

Learn More

Use for primary calls-to-action that drive user action.

Red Section Number

02

Use to structure content and guide the reader.

Red Phrase Highlight

Real Stories. Captured.

Use red to draw attention to powerful words or ideas.

Social Media System

Social content should feel instantly recognizable, motion-led, and consistent across every platform.

02 Design Traits

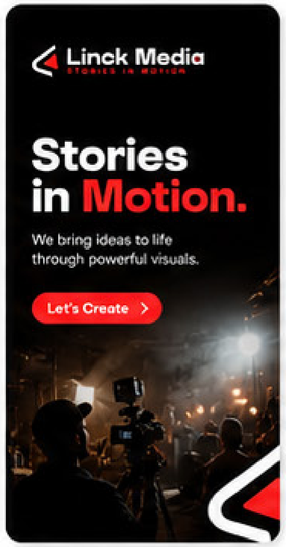

- Bold headline
- High-contrast photography
- Minimal copy
- Clear CTA
- Consistent logo placement

Content Grid & Campaign Flow

A structured content rhythm helps LINCK MEDIA remain consistent while allowing creative variety.

01 Content Pillars

Behind the Scenes
Go behind the lens and into our process.

Client Stories
Real stories from real brands.

Production Tips
Practical tips to level up your content.

Showreel Highlights
Our best work. In motion.

03 Campaign Flow

Teaser
Spark interest with a short hook.

→

Launch
Announce with impact and value.

→

Behind the Story
Show the people, process, and purpose.

→

Result / Highlight
Share the outcome and make it memorable.

04 Thumbnail Logic

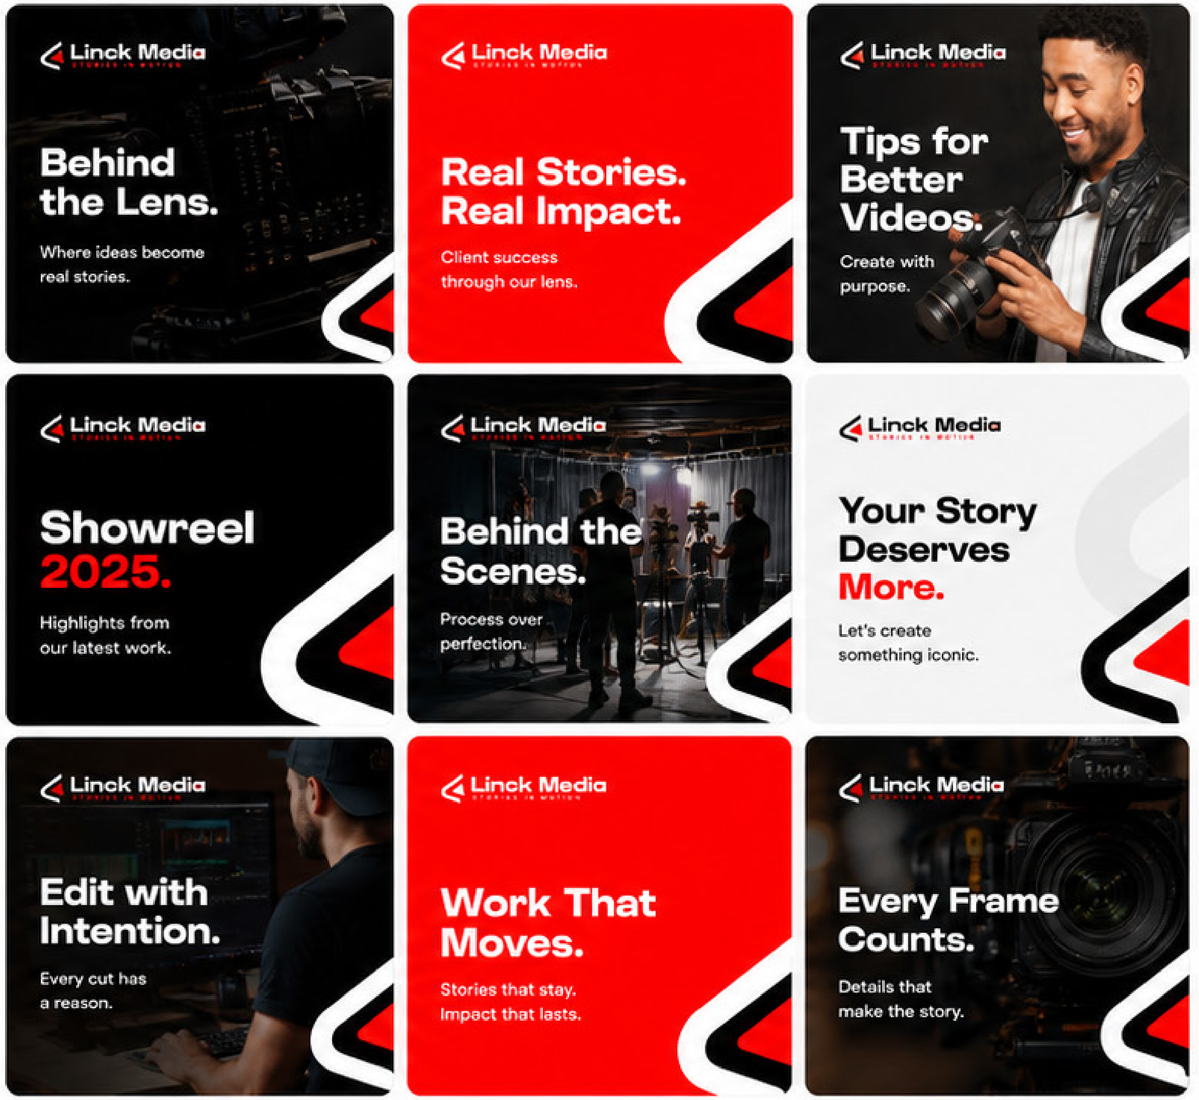

Aa Bold type
Clear, large, and impossible to miss.

Single focal image
One strong visual carries the story.

Red emphasis
Use red to highlight what matters.

Minimal clutter
Clean layouts keep the focus sharp.

02 Sample 9-Post Grid

Video Graphics System

Video graphics should extend the brand with clarity, energy, and cinematic precision.

01 Intro Slate

02 Lower Third

03 Title Card

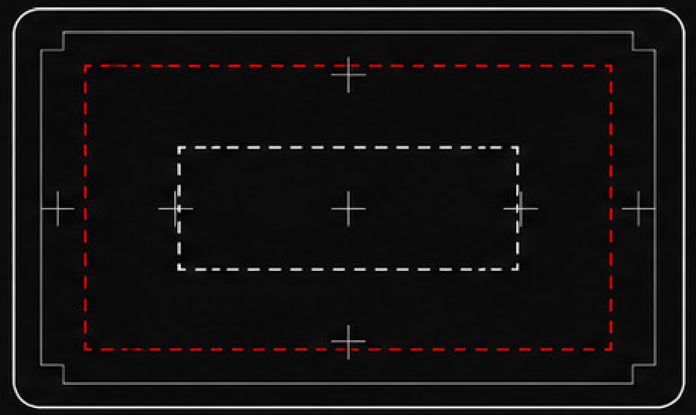

04 End Screen

05 Video Thumbnail

06 Safe Zones

TITLE SAFE

Keep all important text and graphics within this area.

LOGO SAFE

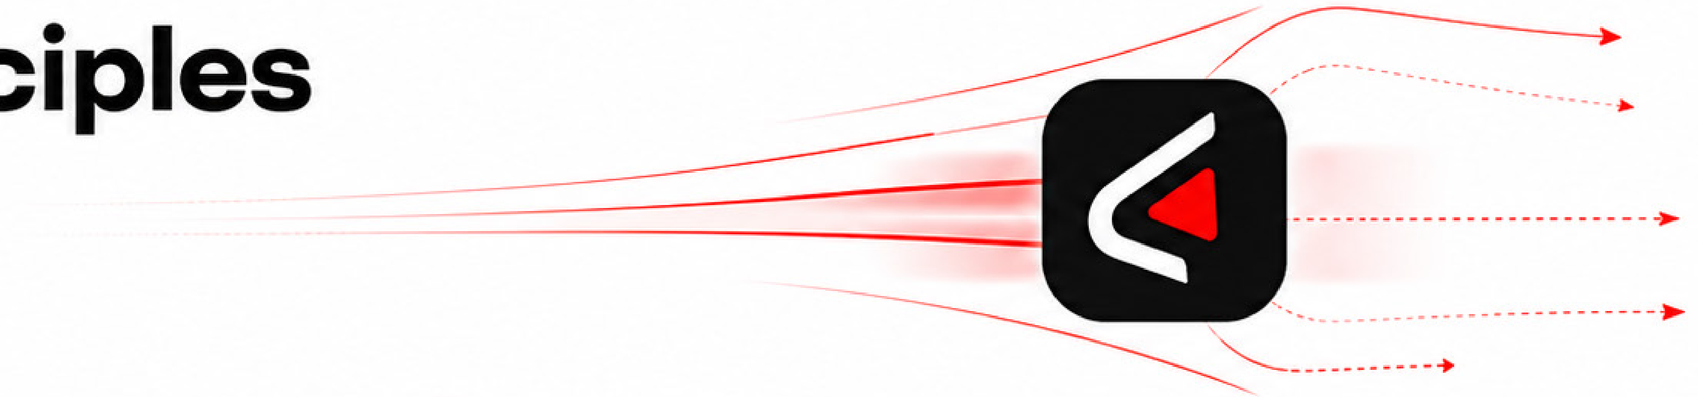

Keep the logo within this area for visibility.

07 Graphic Traits

- Minimal overlays
- Strong contrast
- Red used as accent
- Clean motion cues
- Consistent typography

Motion Principles

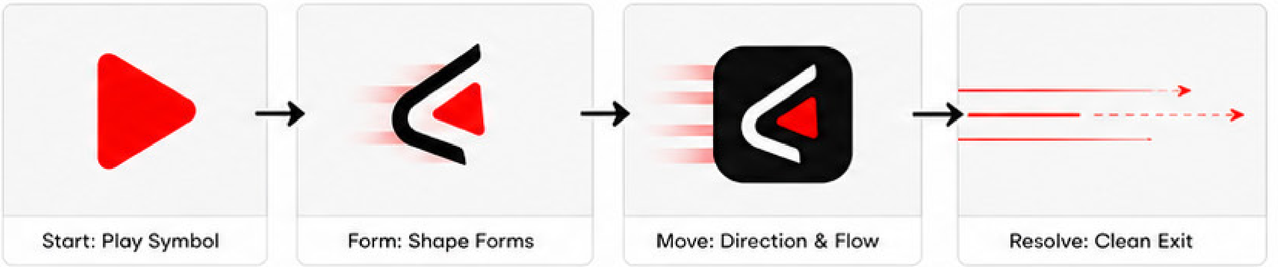

The motion language is derived from the play symbol and should always communicate direction, flow, and confidence.

01 Movement Traits

- Directional
- Smooth
- Purposeful
- Energetic

02 Animation Behavior

03 Timing & Feel

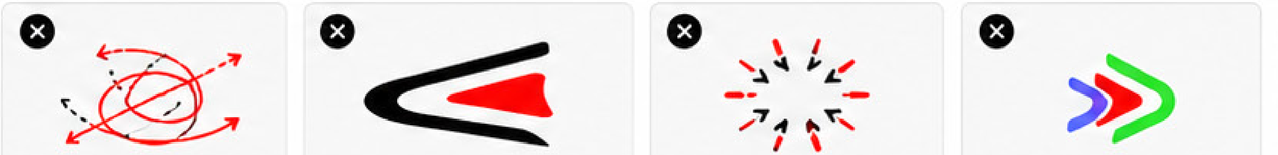

Fast cuts
Quick, intentional transitions.

Smooth easing
Natural acceleration and deceleration.

Clean reveals
Elements enter with clarity.

Minimal clutter
Let the story breathe.

04 Motion Don'ts

- No chaotic movement
- No exaggerated distortion
- No random effects
- No off-brand colors

Presentation & Document System

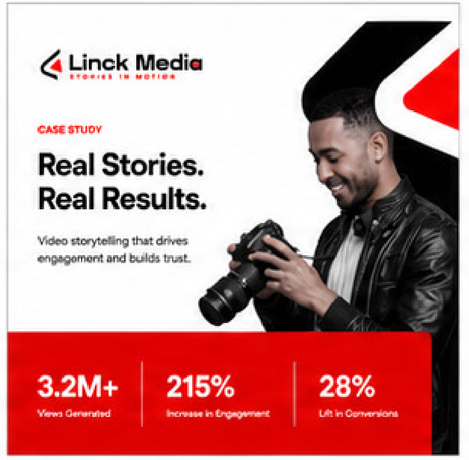

Formal communication materials should reflect the same confidence and clarity as the core brand.

01 Presentation Templates

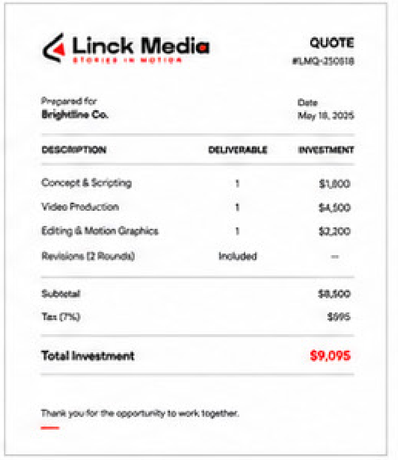

Proposal Cover

Case Study Slide

Quote Page

Closing Slide

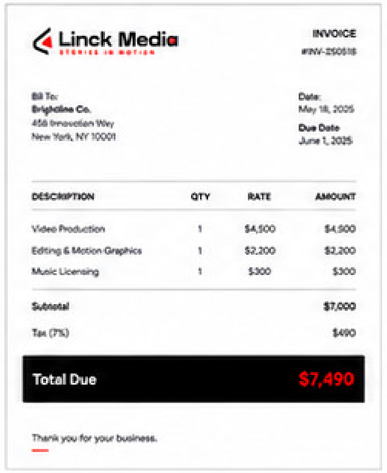

02 Document Templates

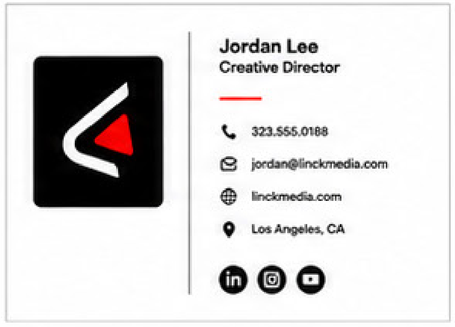

Letterhead

Invoice

Email Signature

Report Cover

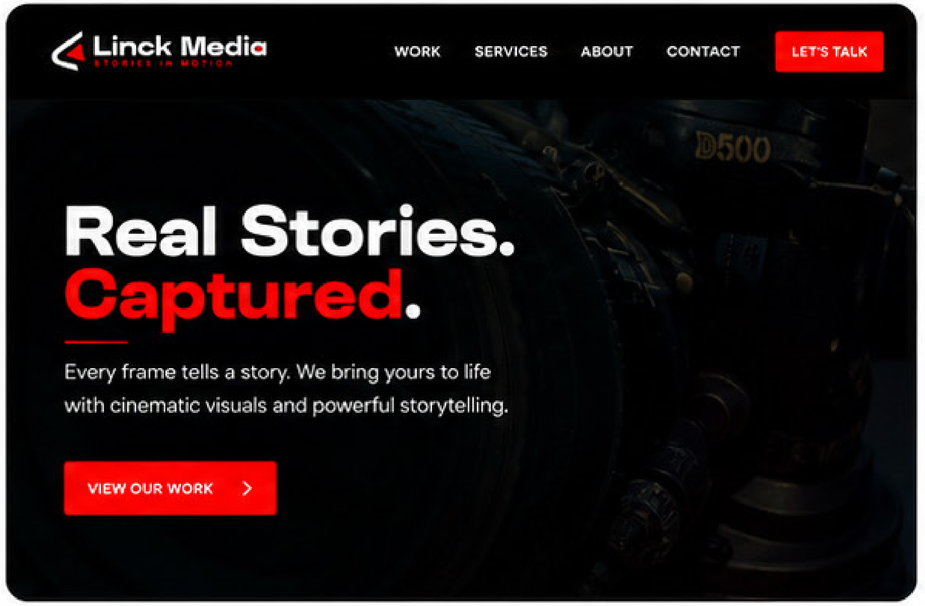

03 System Traits

- Consistent margins
- Minimal design noise
- Red used for emphasis
- Readable hierarchy
- Professional polish

Website Experience

The website should feel cinematic, direct, and conversion-focused while showcasing motion, storytelling, and professional media services.
